

## AUTOMATED CRAFT BEVERAGES

# Elevate your beverage menu without a full bar.

**Botrista's** turnkey beverage program leverages an easy-to-use, automated dispenser, the **DrinkBot**, alongside a line of premium ingredient BiB flavors to deliver customizable craft drinks, including infused teas, lattes, flavored lemonades, iced coffees, sparklings and more!

# Your beverage solution partner

Our drink program automates the build quality and customizable options of popular coffee-bar programs and provides operators with more than just equipment.

## DRINKBOT
